NATIONAL SANCTITY OF HUMAN LIFE MONTH

On January 18, churches across the country will affirm the sacred worth of every human life and recommit to compassion, accompaniment, and healing. We're extending that invitation through the whole month of January.

Run a baby bottle drive.

Baby bottle. Huge Impact.

The Knights of Columbus in northwestern Pennsylvania proved what a baby bottle can do: by filling thousands of bottles with spare change, cash, and checks, they raised $109,000 — enough to help purchase a mobile ultrasound unit for their local pregnancy center.

Host Us for a Sunday Visit

Build a deeper connection to the mission

We’ll share testimonies, resources, and simple next steps to help your community make a real impact this January and beyond.

Use Our Promo Materials

Ready-to-Use NSHLS Resource Package

Reach supplies you with an extensive package full of ready-to-use graphics, handouts, and digital assets to help your church communicate clearly and beautifully throughout your celebration.

Bring the Mobile Medical Unit

Our Mission in Motion: Bring the Mobile Medical Center

Create a powerful, hands-on way for your congregation to connect with the mission.

The Mobile Medical Center can be onsite for tours, education, and a tangible encounter with the work Reach does every day.

LET'S CELEBRATE LIFE TOGETHER.

Visit outreachforlife.org/nshl to see how your church can connect with Reach to make this National Sanctity of Human Life Month one that counts.
